

Spring Newsletter

Plain English Version

Saint John of God Housing Association CLG

April 2018

[Edition 5, Volume 1]

Welcome to the Spring 2018 Newsletter from Saint John of God Housing Association.

As the evenings are getting longer and the snow has eventually gone from the Arctic, we are all looking forward to the Spring and Summer months to get some warmth!

There has been a lot of goings-on in the Housing Association, with 17 new tenants getting homes throughout the first quarter of 2018 as well as all of the events, we have been extremely busy in 2018 so far.

Our Estate Caretaker, Declan Corrigan braved the snow to make sure everyone could get out of their homes to get to the shops for some supplies.

We hope you enjoy all of our good news and we look forward to input from our tenants for future newsletters!

How to contact Your Housing Officer:
